5. 10/12/2020
6. Enhanced shelter
7. I am thrilled to know that the Oakes SNF could become a safe shelter in Shoreline. I am a nurse at Northwest Hospital (now UW). It is tragic that there are very few options when we need to discharge a patient who is undomiciled. It breaks my heart when I know I am sending someone out to the streets. I think as a community we can do better. It is the right and just action to acquire this property for a shelter.
8. (o) Support

Thank you,
City of Shoreline
