6. Homeless Shelter
7. I encourage the City Council to support the proposal for a homeless shelter at 167th and Aurora North. The crisis of homelessness is real and has only been exacerbated by the economic havoc caused by the Covid Pandemic. The situations in our communities and on our streets, that we all abhor and wish were occurring somewhere further away, will not decrease or evaporate without addressing the issues of homelessness. Progress will take many strategies, shelter is certainly one of them. Thank you!

Thank you,
