7. As a member of St Vincent De Paul at St Luke's Parish in Shoreline I believe this shelter is very necessary. It is a staffed, full time 24/7 facility that will supply critically needed services to people in need. The covid 19 pandemic and the approaching winter only make this need more imminent. I also feel that using this closed down vacant facility is a great use of a structure that if left vacant could become an abandoned nuisance. Thank you for your consideration.

Thank you,
