7. I totally oppose the low barrier shelter, which is not like the ones which our churches had been supported for. our church encampment is high barriers. No sex-offenders and criminals are allowed. However, the low barrier shelter lacks structured rules. It just will bring more drug-addicted, sex-offenders to our neighborhood. Also, there are no plans from councils to handle the problems which a low barrier facility will bring up to the community.

Thank you,
