6. Enhanced Shelter
7. We lived in Shoreline for 41 years and now live in Woodway. We continue to be active in First Lutheran Church of Richmond Beach in Shoreline and the Ronald Commons project on Aurora.

We support the proposed shelter because it will provide shelter and enhanced services including case managers, referrals and other services as well as helping to find permanent housing for the residents. Shoreline has many people needing temporary shelter and permanent housing! As an enhanced shelter open 24/7 it will give residents a place to be during the day and keep them off the streets.
