Hello Councilmembers from Shoreline City, and from King County,

I, along with hundreds of Shoreline residents, raised concerns regarding the low-barrier homeless (enhanced) shelter at N 165th St in Shoreline and sought clarifications from the Shoreline City Council, from King County, and from Lake City Partners in all public meetings. These concerns include 1) safety risks to the single-family neighborhood, schools, daycare and kids' recreational facilities within immediate proximity to the proposed shelter; 2) the inadequate community outreach; 3) disregard to due process that should be followed when making such important decisions; and 4) lack of due diligence on the choice of location, and the associated benefits and the cost implications.

With almost all of our concerns unaddressed, I, along with over 1220 people, continue to oppose the proposed low-barrier shelter. I am attaching the list of the people who have signed a petition opposing the shelter and hope you consider the voice of so many concerned residents.

I urge you to acknowledge that this location is a bad choice for low-barrier shelter and reject the proposal.

Councilmembers,

I wanted to follow-up on the 08/17 meeting on the proposed low-barrier navigation shelter and provide my inputs on points that were made in the council discussion.

1) I wanted to specifically address Mayor Hall's statement "if there are better locations, I am all over it". I am not a real-estate expert by any means, but based on an simple Google search, I found a SeattleTimes article from 8/15/2020 where the owner of a hotel *Everspring Inn* on 82nd St/Aurora Ave which is up for sale. This hotel was already being used to houses up to 70 homeless. Is this a comparable opportunity that Shoreline City Council and King County can pursue to address homelessness for single-adults? Maybe this hotel option does not materialize but I am confident that with the necessary level of due-diligence, there will be many such options that presents itself in the next 18 months as the economic impact of COVID trickles through our society.

Reference: <https://www.seattletimes.com/seattle-news/mass-mid-pandemic-eviction-creates-chaos-at-a-seattle-motel-thats-a-refuge-for-homeless-populations/>

2) I want to remind the Council of Renton's Mayor and councilmembers' stance few months after greenlighting the homeless shelter. The council is now pleading:

Upthegrove wrote in the post. "I expect longtime residents of Renton to treat newcomers like the guests at the Red Lion with respect. I also expect the guests of the Red Lion to treat the surrounding businesses and other city residents with respect. Unfortunately this isn't happening." Upthegrove said he realizes the behavior of the Red Lion guests has had a significant impact along with a financial cost to city government and the community members who own small businesses, work or live nearby. "Because of our current emergency, the decision by the county to operate a shelter in Renton at the Red Lion was made without having to comply with city zoning or permits, and with no community engagement prior to the decision," he said. "That's the nature of emergency decisions, but that also makes this situation fundamentally different than normal processes to site facilities."

"Today is also a plea for you to realize the enormity of the emergency task Renton has taken on, to thank us for doing much more than our part, and to respectfully urge that you honor a verbal commitment to make our significant sheltering job a temporary one and work with us on an exit strategy," Mayor Pavone said.

3) Next, I hope we all can agree on the terms and the kind of comparisons that are relevant to this discussion. In the public meeting, Councilmembers referenced two successes operating shelters without disrupting the community (Mary's Place in Kenmore and Roland Commons in Shoreline). I urge the Council to acknowledge that the two shelters serve unhomed families and not single-adults. Infact, Roland Commons even requires residents to pay monthly rent to access its facilities, has an application process, and are required to undergo background checks. These are not comparable to the low-barrier shelter for single adults. If we want to truly make this comparison, lets then consider making this facility dedicated to unhomed families or women and children, a suggestion that was deemed 'easy' in the discussions. You cannot compare apples to oranges because it fits your narrative and say the impact is assumed to be the same. Such comparisons almost sound dismissive of our concern for the mental and physical health of our children.

4) The community acknowledges single unhomed men remain under-served and need immediate support. Our recommendation to consider a family shelter is to address few of the council members' statements that the property presented itself and therefore an opportunity we should capitalize on it. If our aim is to simply capitalize on the opportunity, why not make it a high-barrier family shelter? If we instead need low-barrier single-adult facilities, why not consider other locations that are better suited to serve the demographic?

5) There were a couple of references to shelter's size (sweetspot of 50 to 100 residents) to make it a manageable facility that does not have undesired impact to the neighborhood. The **24X7 low-barrier shelter** in Seattle (12th and Dearborn) is set up to house up to 85 residents and there is extensive evidence to show that this facility has become a breeding ground for illegal activities including gambling, drug use and violence. Quoting an ex-patron of the Seattle facility "There's a lot of gun violence, drugs, prostitution, gambling," he said. "anything that you need that's illegal, you can get downtown right now". A current patron who also has an encampment outside was asked why people from the facility have camps outside. He says, "People go to [their] encampments when they want privacy. They use the shelter for its services but prefer to stay outside so they can do what they really want to do". Quoting Noah Fay who works at the facility "Shelter is not housing, so any solution that is not housing inevitably is going to come with overcrowding and theft and all the things that come with not having a place to call your own". This is not an isolated example -- I am happy to share more examples from Renton, from Vancouver WA, and from 82nd St/Aurora if it helps ascertain that low-barrier facilities bring safety risk, irrespective of its size and how it is managed.

6) Few of the councilmembers called out that homeless drug addicts already exist on the streets and in the parks so it's better to move them into this facility. As cited above, the low-barrier shelter does not require patrons to be in the shelter -- they are free to spend as little as 1hr in 3 days to retain access to the facility. The key here is that the CAN possess drugs, just not consume them in the facility premises. You can assume that they won't go very far to consume them. In addition, I hope you can appreciate the fact that right now, we see a handful of homeless people consuming drugs in Richmond Highland Rec Center but by moving up to 60 people from all over North King County, we significantly increase concentration of drug addicts within vicinity of so many facilities that children use, often unattended.

I hope you reconsider the decision to not proceed with approving the proposal to convert a Nursing facility into a low-barrier single-adult navigation center.

Thanks,
Vinay

Council Members,

Thank you for hearing our concerns and for giving us an opportunity to have a say in decisions that affect our community, our lives, and safety of our children. We truly appreciate it.

King County and Shoreline City Council are moving at record pace to set up a low-barrier homeless shelter within a single-family community without following the traditional process of public outreach prior to making decisions. While this is an unusual process, the safety risks and concerns still remain valid and unaddressed. I want to specifically share news coverage of the impact of comparable sized low-barrier navigation centers on the community it is based in. If anything, the Shoreline facility has more single family homes, childcare and kids' recreational centers in immediate vicinity compared to the other two referenced below. I hope you acknowledge that we are at greater risk of incidents that affect the mental and physical health of our children.

Here are two news coverage related to incidents in the Navigation Center on 12th and Dearborn. I urge you to watch the videos if you have the time (~6 minutes).

1) <https://komonews.com/news/project-seattle/navigation-center-clients-sleeping-in-tents-right-outside-center>.

2) <https://komonews.com/news/local/spate-of-violence-at-settle-homeless-encampment-stirs-coconcern>.

Few of the important quotes from this coverage: "The corner at 12th and Dearborn is well known for drug-dealing activity." Billy Conrad, one of the ex-patrons of the facility speaks about prostitution, gambling and drug dealing activities within and around the navigation center.

The Other Navigation Center is based in Vancouver, WA, currently closed indefinitely due to budget cuts. The video linked below walks through concerns of the neighbors who documented defecation on private property and discovering needles. Quoting the article "Some businesses have seen an increase of 300 percent in shoplifting," says Dougherty, "others have seen a drop of over 80 percent in their business."

<https://www.clarkcountytoday.com/news/central-vancouver-residents-unhappy-with-new-homeless-navigation-center/>

Here is the quote from Diane Pfeil, the owner of the daycare center adjacent to the proposed Navigation Center in Shoreline, "I have been a licensed childcare provider serving the Shoreline community from this location for the last 32 years. I worked hard with families to provide a safe environment for children to learn and grow. Parents are already expressing concern about the safety of the community environment their children will be in, if this homeless shelter goes in. This

has a direct impact on my ability to continue operating a business that supports many local families. “

I hope you consider these concerns, and plan to adequately address them before making any decisions.

Thank you for your time and consideration.

Thanks,
Vinay

Comment

"The location and model being proposed is not fit for a single family neighborhood with schools and daycare within

"It's a completely unsuitable location for this type of

"We have big concerns for the safety of our neighborhood

"This center will likely bring crimes into shoreline as it has

"I don't think this new rule would be a good fit for a

"I live right across the street and this doesn't make me feel

"Please stop, due diligence is in order, the location so close to existing youth facilities, daycare and recreation sites

"That's my home town"

"Any decision that is taken without community engagement is inevitably bound to lack perspective of the people whom it impacts the most. Below is an example from the Renton facility now closed. Mayor Upthegrove said he realizes the behavior of the Red Lion guests has had a significant impact align with a financial cost to city government and the community members who own small

"Shoreline City Council is closing the municipal pool because of lack of funds. At the same time, they are making an open-ended \$\$\$\$\$\$ commitment of police, fire, and ambulance to a shelter that doesn't even bar hard drug

"This is wrong on so many levels. The patrons of a low barrier shelter are allowed to have drugs but not allowed to use them in the facility. Where do u think this means they are going to use them? Even if they did get treatment, it wouldn't happen over night and drugs and drug dealers will flood our neighborhood. A clean up of a small park

"This is wrong on so many levels. The patrons of a low barrier shelter are allowed to have drugs but not allowed to use them in the facility. Where do u think this means they are going to use them? Even if they did get treatment,

"More studies need to be done and a location that isn't near an existing daycare/high school and what will now be

"This is too close to our parks and schools. Please keep our

"I recently bought a house in Shoreline because I used to live right across similar low-barrier facility by DESC in Seattle. The amount of noise, trash, physical fights, junk cars, destruction of property, police/ambulance visits and

"This is not a suitable location. Do better and find a

"Decisions like this should be made by the community members in the area that will be most impacted, not the
"We are constantly seeing issues with increased theft and harrasing behaviors since the currently operating shelters were opened. I do fear that this low barrier facility is only

"While I support housing and other services for the homeless, this project lacked community notice, input, and discussion. Also, the site seems better suited to working

"Our city is defunding police and we already have too few law enforcement officers to handle the volume of drug and

"This whole project is being rushed through with little transparency or information. Shoreline might be able to host a safe shelter and supportive services to women and

"Shoreline council wake up. We already have a influx in crime. Using a place for a "dumping" ground as opposed to

"I live a few blocks away from where this shelter is to be located. Unless this shelter will also include a heavy police presence near the shelter during the evening hours to

"I am very concerned that the location of a minimal supervised homeless shelter in an area where there are students walking to and from local schools, along with a

"I'm currently living across similar low barrier DESC facility and moving to Shoreline, a couple blocks away to this proposed facility. My experience living across such facility

for the past 2 years have been miserable and hell. My fellow townhouse neighbors and I created a group and installed cameras to our shared space and I have photos, video evidences and testimonies from my neighbors regarding their experience. We have encountered

"Don't turn shoreline into Seattle, I reside in shoreline bc it

"It is wrong to endanger children in any circumstance but especially in areas where they live, have their daycare provided, go to school or play their sports. They have no "why on earth would you want to build a facility near all the elementary schools and schools? I just had a cop come by my neighbors house for package theft. before that few months ago I saw someone up to no good about to walk down my dead end neighborhood and luckily walked away because I was watching him from my house. couple weeks ago played at the shorewood tennis court to find a needle on the ground. can you imagine what the parks and

"We need help for the menthal people and do something ,
"It is too close to Christa and Shoreline public schools, parks and baseball fields where kids play Little League

"The problem of drug addicts and needles has gotten so out of control that I have anxiety taking my daughter to any playground now. We've had close encounters with needles

"Es muy peligroso para las familias y niños y no sabemos
"I want my neighborhood to be safe and drug free"

"Family members live several yards from this proposed site & I am filled with rage. County officials who propose such plans, they should be forced to live in the same neighborhood and suffer direct consequences as those of us who fight to protect our homes and safety of this community. We must brace to face this adversity with objective tactics_ those of us who can afford, get security systems installed with cameras. PLEASE, don't be naive and

"If the Shoreline City Council pushes this forward we need to have an immediate recall for all council members AND a
"Deena Maroutsos"

"I am signing it, because of I want there are no drugs and alcohol nearby kids care, schools, residential areas, no
"I have lived in Shoreline for 15+ years. I remember back then I could leave my door and car unlocked all day. But now, I'm afraid somebody will steal stuff. I also am afraid for my family. Please don't do this, we already have enough

"I witnessed the adverse effects the failed low barrier camp by Green Lake had on the surrounding community. I'm all for helping those in need, but this isn't the answer. People that really want help are willing to work for it and rules are part of the package. You can't lower the bar and then be

"Shoreline does not have a homeless population large enough to justify this shelter. It will fill up first with the homeless from Lake City, and then those who don't want to live in this neighborhood. And see good school with a lot

"Too many in the area, send them to Oregon"

"I am signing because I am tired of the city pulling the wool over citizens eyes. This shelter is not for shoreline. It is for King County. Shoreline will receive a grant. Is that grant worth sacrificing the well being of the tax paying citizens.

"Please email the shoreline city council

Council@shorelinewa.gov To let them know you oppose this plan. The deputy mayor commented at the meeting last night that only a few residents oppose the plan! Please email your comments and attend the meeting on

"Please write and call the city council to oppose this. And if

"This is a wrong location. Choosing less visible and

"The City and representatives from Lake City Partners will host a community meeting via Zoom on September 22, 2020 at 6:30pm to go over the plans for the facility, answer questions, and to listen to the community's concerns.

"Allison Nelson"

"I lived in the Shoreline neighborhood @ 161st & Stone Ave N for 30 years!! This is always been a hotbed for crime and
