6. Ordinance # 901
7. I believe the city of Shoreline needs to realize a higher vision. This ordinance following the recommendations of the planning committee would provide a more upscale vision for businesses and our city. By changing these recommendations to allow pawn shops and pay day loans and other such businesses you are creating another Aurora strip, a seedy downgrade of all the work you put into our city center, our re-zone for the light rail. We could be a small city with some excitement, be a destination like Snohomish, LaConner, or other small towns with cute interesting shops and restaurants. Instead we are turning into a suburban sprawl bedroom community with low end chain restaurants, pot shops, tattoo shops, and non descript strip malls. Please set a higher vision for us, for what we could be. Do not change the recommendation of the planning committee.
