Shoreline City Council,

I am a resident of Shoreline and I oppose the proposed low barrier shelter. There has already been a high uptick in crime in my neighborhood from the drug addicts, homeless that come into the neighborhood from Aurora Avenue and in the homeless camp at the church on 3rd NW. YOU can't insure the safety and the crime increase, it is already happening and will worsen with this shelter. Those staying there will go into the neighborhood and will do their drugs, steal mail, commit theft in our homes and cars, drop their needles and drug garbage on the ground for our kids and pets to get stabbed. I'm not opposed to higher barrier shelter or treatment center where there is high level of control and residents screened and not allowed to do drugs. I highly oppose this shelter in this location!

Thank You,

Anne Good
