Dear council members,

If you open a shelter where it doesn't belong and problems arise all over shoreline it's because of your negligence.

People lives in the neighborhood will change for the worse because of your negligence. You rush and make a rash decision and it ends up being a disaster people get hurt and violated, because of your negligence. You all have a responsibility to keep us safe so don't be negligent. Fixing" one issue cannot cause a bigger issue for others in the community. You all have other options, remember that please. If it doesn't fit don't force it because it's not worth it.

Sincerely,

Ashley Hermansyah
