*Shoreline City Council,*

*I am a resident of Shoreline and a homeowner in the Innis Arden neighborhood, and I absolutely oppose the proposed low barrier shelter project. This project is NOT a good idea for the City of Shoreline. We moved to Shoreline to be part of a smaller city government that works with the residents in creative and community-centered ways to maintain and improve livability for everyone... This is not that! This project location has the potential to be used in a more community-supportive way...even for our unhoused community. But placing a low-barrier shelter in this location is absolutely unacceptable.*

*Thank You,*
