7. Dear City Council,
I'm working on an article about homelessness and heroes in our community and discovered the below link and following information for consideration.
Did you know that in 1948 the U.S. signed the "Universal Declaration of Human Rights?" This is an international document that proclaims housing as a human right, but the U.S. has obviously fallen way behind on adhering to this right. (From Rev. Dr. Jean Kim's book, "Jubilee Handbook: An Introduction to the Mission of Ending Homelessness")

Thank you for this consideration and for all Shoreline has done to open their hearts to those that suffer the traumas of homelessness.
Sincerely,
Donna Hawkey
