Hello all,

I am writing to request that the Council secure funding for the remaining 160 feet of sidewalk on the north side of 200th near Cascade K-8.

Our school community was excited for sidewalk construction, but as it is, pedestrian traffic is dumped into the street in an awkward space.

I believe this is as dangerous as no sidewalk at all, because it may give both drivers and pedestrians a false sense of security. Please invest in the safety of our community- particularly school kids.

Thank you for your time.

Best,  
Corinna Sullivan
