Dear City Council:

This email is in regard to the subject-referenced issue that is to be discussed at tonight's Shoreline City Council Meeting.

**I am writing to ask for the completion of the south sidewalk in front of CK8 that does not extend to the corner. This is a safety issue for our students and community.**

If this is ignored and the sidewalk remains unfinished we will be left with a sidewalk that ends with pedestrians walking into the street and traffic flow, which is a dangerous and unsafe hazard to the public and including students and children of all ages.

Sincerely,

Susan McIntyre  
Shoreline resident
