

City of Shoreline Title VI Program

Introduction

The City of Shoreline (“City”) is a Federal Transit Administration (FTA) grant sub-recipient to the King County Department of Transportation’s Metro Transit Division (King County Metro). King County Metro contracts with the City to fund design and construction of items such as Business Access Transit (BAT) lanes, sidewalks, bike lanes, and station platforms in the City. The City does not directly provide any transit service.

To meet its Title VI program requirements, the City has its own procedures to satisfy certain requirements such as a complaint process and public participation. The City will rely upon the analysis and overall program efforts conducted by King County Metro to meet requirements, e.g. Limited English Proficiency

Since the City does not operate any transit service, this plan only addresses the General Reporting Requirements.

General Reporting Requirements

A. Title VI Notice to the Public

The City notifies the public that it complies with the requirements of Title VI and related statutes and regulations. Notices are posted in City Hall and on the City’s web site. The wording of the notice follows:

The City of Shoreline hereby gives public notice that it is the policy of the City to assure full compliance with Title VI of the Civil Rights Act of 1964, as amended, the Civil Rights Restoration Act of 1987, Executive Order 12898, and related statutes and regulations in all programs and activities. Title VI requires that no person in the United State of America shall, on the ground of race, color or national origin be excluded from the participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the City receives federal financial assistance.

Any person who believes they have been aggrieved by an unlawful discriminatory practice under Title VI has a right to file a formal complaint with the City of Shoreline. Any such complaint must be in writing and filed with the Office of the City Clerk within one hundred eighty (180) days following the date of the alleged discriminatory occurrence.

B. Title VI Complaint Procedures and Form

A Title VI complaint form and Instructions for filling out a Title VI complaint can be obtained from City Clerk’s Office. A copy of the complaint form is in Appendix 1 to this document, along with the instructions for completing the form.

C. Title VI Investigations, Complaints, and Lawsuits

The City of Shoreline has had no Title VI complaints related to transit during the past three years.

D. Public Participation Plan

The City fully encourages public involvement and participation in decision-making processes. To comply with the statutory requirement for a public participation plan, the City hereby adopts and incorporates by reference the current version of the public participation plan of the King County Metro Title VI Program Report and will coordinate with King County Metro in public participation efforts related to transit projects being managed by the City of Shoreline.

E. Language Assistance Plan

The City relies upon the current Limited English Proficiency (LEP) analysis conducted by King County. This analysis identified that the City had more than 10 percent of its population with LEP. However, no specific language had more than five percent of the population. As such, the City does not have any special efforts related to a LEP population. The City does work to ensure all residents are informed of public activities and of actions related to FTA funded projects.

F. Monitoring Sub-recipients

The City has no sub-recipients. The City will cooperate with King County Metro in providing information and attending meetings as required by King County Metro as the County's monitoring procedures of the City's efforts.

G. Review of Facilities Constructed

The City did not build any storage facilities, maintenance facilities or operations centers and did not modify any facilities that require a Title VI equity analysis. The City will update King County Metro annually as to whether the City has funded any storage, maintenance facilities or operations centers with FTA funds.

H. Transit related, non-elected Committees and Boards

The City does not currently have any transit-related, non-elected planning boards, advisory councils, or committees. Therefore, this requirement is currently not applicable and the City does not have a process to encourage the participation of minorities on such committees. However, if the City creates any such transit-related, non-elected committees, the City will adopt and implement a process which is fully compliant with Title VI.

I. Documentation of Governing Body Review and Approval of the Title VI Program.

On February 6, 2017, the Shoreline City Council adopted this Title VI program through Resolution 399. The documentation of approval is found in Appendix 2.
