**Subject:** FW: Councilmember Questions Follow-up

**Response requested:** Yes

**Sensitivity:** Normal

---

This is the outstanding feedback requested of SPU mentioned in Derek's December 10<sup>th</sup> response regarding ongoing costs for residential sprinkler systems in one and two-family homes.

Please pass to Council... Ray

Hi Ray.

I finally just called SPU's billing department.

3/4 inch meter is 22.40 per month

1 inch meter is 23.05 per month.

So, that is a 65 cents difference on monthly water bill.

Thanks.

Derek

Hi Derek... Did you ever get feedback from SPU regarding ongoing customer water charges associated with larger water service lines necessary for sprinkler systems?
