Mayor and All Council Members:

As a 40+ year resident of Shoreline (even before it was “The City of Shoreline”), as an enthusiastic master gardener, as a recurrent participant in the annual Richmond Beach Garden Tour, as a past President of the Kruckeberg Botanic Garden Foundation and, probably most importantly, as one of tens of thousands of current Shoreline residents who are hoping our City will continue to grow and flourish and be a “livable” place for many years to come, I am writing to enthusiastically endorse the city staff recommendation for a bond measure of \$38M+ for funds to further improve and enhance the city parks and for further acquisition of park land. I strongly support placing the ballot measure on the April 2021 Special Election ballot.

Many thanks for all the (almost) thankless and hard work you all do!
