FROM: Nora Gierloff, Planning Manager, AICP

RE: Department of Commerce Presentation on Growth Management

In preparation for the update of Shoreline's Comprehensive Plan over the next few years staff has invited a representative from the Department of Commerce's Growth Management Services Division to address the Commission. Kirsten Larsen, a Senior Planner with Commerce and the assigned reviewer for Shoreline's codes and plans, will give an overview of:

- Basics of Comprehensive Planning
- Overview of the Regional Planning Process
- Vision 2050
- Role of Puget Sound Regional Council
- Purpose of Countywide Planning Policies

Based on the Commission's questions and interests staff may focus on additional speakers and training this year. The Commission is also encouraged to view the February 8th Council presentation on how the King County growth targets for individual jurisdictions are developed.
