I was unable to attend the Planning Commissioners meeting Thursday night, 2/4, but watched the video.

I am writing in regards to the Commissioners response to Amendment 1:

Amend the comprehensive Plan Land Use Map Designation from Public Facility to High Density Residential for one parcel (7283900532) and change the Zoning from Residential, 18 units/acre (R-18) to Residential, 48 units / acre (48) of two parcels (7283900532 and 7283900524).

I live on Firlands Way, and sent an email which you have received.

It's so disappointing that the commissioners approved evaluation of this amendment. Many of the residents of the neighborhood notified you of our concerns and problems with this proposal before 2/4 meeting.

Regards,

Eun Hee Choi
