Subject: Virtual Meeting Invitation: 1<sup>st</sup> Avenue NE New Sidewalks  
(NE 193<sup>rd</sup> – NE 195<sup>th</sup> Street)

Dear Shoreline Resident:

**I'm excited to share that sidewalk improvements are coming to your neighborhood!**

Join us at noon on **March 23, 2021** for a virtual meeting to learn about the new sidewalks planned for 1<sup>st</sup> Avenue NE and to ask questions. Visit our web page for the meeting's zoom link and to read more information about this project.

**WHAT IS THE CITY DOING?**

At this writing, the City is finishing the design of sidewalks along 1<sup>st</sup> Avenue NE between NE 193<sup>rd</sup> and NE 195<sup>th</sup> Street. The sidewalk is being designed as a shared use path that will accommodate pedestrians and bicyclists of all ages and abilities.

The sidewalk will be constructed along the east side of 1<sup>st</sup> Avenue NE as shown in the figure below.

### **HOW WILL THIS AFFECT YOU?**

The overall duration of the construction for this project will be approximately 70 days. Impacts over these 70 days may include, but are not limited to:

- Temporary reduction of on-street parking near the work area.
- Temporary interruption of two-way travel on 1st Avenue NE during active construction.
- Local access will be maintained at all times; work will be limited to 7 AM and 6 PM on weekdays.

### **WHAT TO EXPECT AFTER CONSTRUCTION IS COMPLETE?**

- Residents will have access to a new 11-foot shared use path! The shared sidewalk will connect the existing sidewalks at NE 193<sup>rd</sup> Street with the trail and shared use path along NE 195<sup>th</sup> Street.
- Asphalt pavement will be neatly patched.
- General conditions of the construction site will be restored to existing or better condition.

Construction is scheduled for **Summer 2021**; notice will be sent to confirm dates once they are known. Please contact me by email or phone with any questions or concerns at:
