Regarding study 3/15/21 agenda item #9B

Please do not approve putting the rezone on the comprehensive plan amendment docket 3/29/21

The hillside near the Park n Ride at 192nd and Aurora needs the trees to hold the hillside intact. We also need the trees to filter the noise and air pollution. This area use to be protected for the birds and wildlife there. We need them to have a healthy neighborhood. We also need the trees to filter the water going to echo lake and and the Puget Sound.

Save what we have here and help our environment. Also this helps our physical and mental health.
