6. N 192nd St Re-Zone change proposal to the Comprehensive Plan Docket
7. Hello Council and Planning Committee.

Please vote against this amendment so it is dropped off the docket and remains an R-18 zone. I'm even against having this old and forgotten R-18 zoning rule for this lot. The lot is not an appropriate location to add ten 3-story town home units in some ones backyard. Please, please, please. . . I encourage you to visit this location. Look at the homes on Firlands Way N that will be impacted by these extremely close unwanted neighbors. My vote is to have a park placed there, if nothing else?

We moved here 2 years ago. We've enjoyed the Hillwood greenery and historic neighborhood. Trees will be cut down that eliminate Aurora's traffic noise and air quality. Along with the great concern of this hillside at risk of a landslide.

Don't change Shoreline's neighborhood. Build elsewhere!

Thank you for what you do at these meetings and your time involvement at Shoreline.

Vince
