

Discussing Resolution No. 473

Establishing the 2021 Wastewater Rate Schedule

April 5, 2021

Background

- With assumption of the Ronald Wastewater District the City is required to develop and implement a schedule for the wastewater utility fees
- Used the existing permitting fees and service charges as established by RWD,
- The 2021 Wastewater Rate Schedule in the format of the City fee table

Resolution No. 473

- Resolution No. 473 establishes the 2021 Wastewater Rate Schedule effective at the time of RWD assumption on April 30, 2021.
- Staff is proposing no changes to the rates or rate structure as established by RWD.

Resolution No. 473

- The City's 6% Utility Tax as referenced in SMC 3.32 is included in the permitting fees and services charges listed in the table.
