6. Prop 1 Parks
7. Yes for Parks! Although the measure was marginally short in number of votes required to pass in April, it had an overwhelmingly positive majority at over 70% voting YES. This tells us that the citizens of Shoreline want parks and we need to put this measure back on in November. This measure includes PARKS FOR ALL which distributes the recreational opportunity for Shoreline's citizens with park improvements in their own neighborhoods. The pandemic has taught us the value of open space and of the need for outdoor recreation. When we couldn't connect inside, we could connect outside with our community, and with nature which is essential for physical and mental well being. Yes for Parks.
