7. I am in support of adopting a new ordinance relating to street racing. I live near Kellogg Middle School, and almost every night we hear roaring engines from people (presumably very young people) racing along 25th Ave NE (right

though the school zone and past the electric speed limit sign). I have even experienced this while out walking my dog in broad daylight. This is not only a safety threat for the people driving like this, but a threat to those who live (and walk) in the vicinity.
