

# BUSINESS COMPOST INCENTIVE PROGRAM

## Application and Agreement

### ABOUT

To help protect the environment and support local businesses, the City of Shoreline is offering a limited-term Compost Incentive Program (Program) for food service establishments in the city. Through this Program, eligible food service businesses in Shoreline may receive free compost service from Recology through December 31, 2024. Composting commercially generated food scraps instead of throwing them in the garbage protects the environment and can save businesses money by switching to a smaller garbage container size.

### ELIGIBILITY

Food service businesses, such as restaurants, caterers, bars, commissary kitchens, and other businesses that involve food preparation or service, are eligible to participate. To be eligible, a business must operate within the City of Shoreline under a valid City-issued business license and must not currently subscribe to compost service with any provider.

### INCENTIVE

Eligible businesses that apply and are approved will receive the following:

- Free weekly compost service through December 31, 2024, from Recology (up to two (2) 96-gallon compost carts with weekly service, a \$70 monthly value).
- Up to three (3) 23-gallon “Slim Jim” containers for back-of-house food scraps collection, with lids and a starter supply of compostable bag liners (\$450 value).
- On-site assistance with compost bin set up and staff training on composting guidelines.

### APPLICATION PROCESS

This limited-time Program is available on a first-come, first-served basis. To apply, please complete pages 2-3 and return your completed, signed form via email to [sbruemmer@shorelinewa.gov](mailto:sbruemmer@shorelinewa.gov), or by mail to:
