My name is Brian Falvey, and I am emailing to address the proposed housing project for 198th Street. As a longtime resident, I am voicing my opinion to NOT continue forward with the project. It will bring a black eye and negative environment to our up and coming, thriving community for this intersection. I do not believe it is necessary and we do not want this to impact our home value and community in any negative way. Put anything except a public housing development. Thank you and have a good day.

Regards,

Brian Falvey
