

## 175TH STREET CORRIDOR IMPROVEMENTS PROJECT

### UPCOMING ONLINE ENGAGEMENT OPPORTUNITIES

We want to hear from you! Learn about the Council approved design concept for the 175th Street corridor between Stone Avenue and I-5. Using your feedback, we were able to establish your top three priorities for the corridor and develop a hybrid of the two alternative concepts presented last summer. Now, we want to hear your thoughts on public art, landscaping, and urban design elements along the project corridor. Visit [shorelinewa.gov/175corridor](http://shorelinewa.gov/175corridor) to share your thoughts from September 15 through October 6.

***Share your feedback on public art, landscaping, and urban design elements for 175th Street!***

***¡Aporte sus ideas sobre arte público, paisajismo y elementos de diseño urbano para la calle 175!***

***Ibahagi ang inyong opinyon sa sining pampubliko, kapaligiran, at disenyo para 175th St!***

来与我们分享您对175街的艺术装置·景观设计以及城市规划等元素的反馈！
