7. My name is Susanne Tsoming and I live in and raised my family in Shoreline's Hillwood neighborhood since 1978.

This submitted statement is with reference to the PROS Plan as 10/11/21 City Council's Meeting Agenda Item 8a.

A new, emerging reality is occurring at Shoreline Park & Ride area. Major construction of the Shea Properties' 7 story building with 2 levels of underground parking has thrust Shoreline into its urban phase. Nearby the Park n' Ride on N 192nd St. between Firlands Way and Aurora Ave. N. is a vacant lot with approximately 100 trees is for sale by its owner. I urge the City to purchase this parcel of land to install a "pocket park". With fewer trees to clean the air and absorb the sound pollution from busy Aurora Ave., purchase of this parcel will provide desperately needed green space in the Hillwood neighborhood as well as be a good transition between the commercial zoned Aurora Ave N. and the SFR zoned homes on Firlands Way. Purchase of this vacant parcel can also become part of the 2/18/22 Firlands Way Greenlink Street Plan.
