To whom it may concern,

I have heard from our local school community that there will be a discussion about completing the sidewalk on 200 th in front of the Cascade K-8 Aldercrest Campus. I hope this will be a priority to council members for the sake of safety to our families and neighbors who walk along this hilly and often dangerous street where trucks are known to fly over the hill with reckless abandon as well as bicycle riders and cars which take the turns so tight.

Thank you for your consideration and support on this matter. I look forward to seeing more sidewalks placed in our community.

Sincerely,

Amie Stewart
