Hello, my name is Kayla Pennington and I live within the city of Shoreline. My daughter attends Cascade K-8 Community school that was moved to the old Aldercrest annex about 5 years ago. I am writing to you to urge you to complete the sidewalk on NE 200th St between 25<sup>th</sup> and 30<sup>th</sup> where so many of our kids have to walk to get to and from school. This is currently a major hazard for our kids and not at all a safe route to school, they are left to walk in the traffic flow and dodge moving cars. I understand this is a topic of discussion as part of an amendment to the budget, and urge you to make this project a priority for the safety of our children.

Thank you,

Kayla Pennington
