Hello,

I am writing to request that Shoreline City Council secure funding to complete the sidewalk on 200th St., close to Cascade K-8 Community School.

As a Cascade parent who often drives to drop-off and pick-up my children, I see that the sidewalk that was recently added does not reach the intersection, and creates a hazard for pedestrians (often my kids' classmates) who need to navigate walking on NE 200th St towards 24th Ave NE. Traffic has increased at this corner with not only foot traffic, but cars, school buses, and construction vehicles. Please finish the sidewalk and create a safe intersection for the pedestrians.

Thank you for your time,
Emily Kubischta
