To whom it may concern,

Regarding the sidewalk proposal for 20th Avenue between NW 190th and NW 195th Street. Do we really need a 10 foot wide sidewalk? I do a lot of walking and have never seen that wide of a sidewalk. It would change the character of our beautiful neighborhood. It would force 23 mature trees to be anialated!

The community should slow down while passing one another. Please don't waste our time, expense and beauty for this.

Sincerely,

Mary Costello
