7. As a Shoreline resident who is dismayed by the rapid disappearance of large, iconic pieces of our environment, I would like to SUPPORT the adoption of the following amendments currently being denied by the city staff that deal with the following:
 - 6" Significant tree definition and 24" Landmark tree definition means more trees will mature and store carbon;
 - Penalties for injury to trees at development sites;
 - Provide incentives to developers to save more trees;
 - Remove Director authority to "waive or reduce" tree retention and tree replacement code requirements, except on R-4 and R-6 zones;
 - Ensure that tree removal on large properties are subject to tree codes.

Thank you,
City of Shoreline
