Dear City Council Members,

First, **thank you** for listening to the community regarding saving more trees in Shoreline.

I would like to ask that you:

1. **Save the Cedars on 5th Ave NE** by using a "cut-out" design around trees. ADA approval is 4' around trees to save their roots.
2. **Vote to approve** the definition of a 6' dbh Significant tree.
3. **Vote that a permit** is required for removal of trees 24" dbh and over.
4. **Eliminate Director authority** to waive and reduce retention of trees on construction sites.
5. **Eliminate Director authority** to reduce replacement trees on construction sites.

Thank you.
