7. Dear City Council Members and Planning Commissioners,

I agree with all the points shared in Melody Fosmore's Op-Ed, in the Shoreline Area News, <https://www.shorelineareanews.com/2022/03/op-ed-saving-shoreline-trees.html>. I appreciate most her thoughtful words, "We want the city leaders and staff to execute thoughtful creativity and a holistic approach to development that includes retaining and protecting our tall trees." Execute thoughtful creativity and a holistic approach to development were the same words that were said by many members of our community in the discussions around the rezoning of 145th and 185th. I do think this happened or is happening.

It is my hope that the council members and commissioners hear the community on this very important topic for our present and future community.

Be well.

Sincerely,
Meghan Peterka

Thank you,
City of Shoreline
