Subject: [EXTERNAL] Please strengthen the tree code!

Sensitivity: Normal

CAUTION: This email originated from outside of the City of Shoreline. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hello – I live in Shoreline, and one of the reasons why I consider this a wonderful place to live is the trees. PLEASE, support the strengthening of the tree code as described by the “Save Shoreline Trees” organization. I have planted a number of native trees on my property but all around me I see people cutting mature Douglas Fir trees. Please don’t allow the reduction in the number of trees in our city.
