

Discussion of the 2022-2024 City Council Goals and Work Plan

March 28, 2022

John Norris, Assistant City Manager

Background

- Discussed Goals at Strategic Planning Workshop, March 4 and 5
- Continued focus on achievement of Vision 2029 and being a sustainable city in all respects
- Council goals are still relevant and supportive of Vision 2029; proposed amendments to Council Goal #5
- Added two Action Steps:
 - Goal #1: *Incorporate Age Friendly Community policies into the 2024 Comprehensive Plan update*
 - Goal #5: *Use data driven information to inform the City's actions and plans to provide shelter and housing for all individuals in our community*

Proposed 2022-2024 Council Goals

1. Strengthen Shoreline's economic climate and opportunities
2. Continue to deliver highly-valued public services through management of the City's infrastructure and stewardship of the natural environment
3. Continue preparation for regional mass transit in Shoreline
4. Expand the City's focus on equity and social justice and work to become an Anti-Racist community
5. Promote and enhance the City's safe community safety, healthy and neighborhoods, programs and initiatives and a coordinated response to homelessness and individuals in behavioral health crisis

Recommendation

- No action is required; staff recommends that Council discuss the 2022-2024 Council Goals and Work Plan
- Council Goals and Work Plan are scheduled for Council action on April 11th
