Dear City Council

Public Tree Management

I want the following:

1. Place placards on public trees 45 days in advance of removal.
2. Post list of public tree removal and arborist report to the City's website.
3. Information in *Currents*.
4. Auto-email residents who request advance notification of public tree removal.

Public street trees are public assets and I want to be informed in advance of public tree removal.
I ask for information and transparency.

Signed
Rebecca Jones
