6. Parking reduction requirement for apartments
7. My church is in North City on 15th just off of 175th st NE. Your zoning already has some apartments . With no parking and the street parking is taken up by apt dwellers at all hours so the small business are suffering already. And now you want to lower requirements further?
Plus what do you mean by affordable? Most of those apartments are not affordable by two people making min wage & what about one person living alone. No

wonder the homeless issue is just getting worse.

I already find it challenging to drive in Shoreline with all the cars parked on the street. Trying to find on street parking in Shoreline is impossible.

Thank you,
City of Shoreline
