Planning Commission:

This email is in support of Kathleen Russell of the *Tree Preservation Code Team*. I quote:

- "Require 10% significant tree retention for 70' buildings (currently none of the trees have to be retained at 70' building sites)
- 80' buildings: current language reads "10% significant tree retention"
- 90' buildings: change the word "OR" to "AND" so the proposal reads: 90' building: retain 20% of the trees **AND** Deep Green Incentive Program"

Thanks for the opportunity to submit this comment.
