Hello! As 10+ year residents of Richmond Beach, my family continues to marvel at our luck in being able to settle in Richmond Beach. I'm so excited that the Council is considering acquiring property to create additional access to the beach. Creating legal access to the beach on the north end will help those who love our neighborhood enjoy it more freely. As a community member, Richmond Beach Community Association volunteer, and general cheerleader for Shoreline, I ask that you move forward with the aquisition necessary to create an easy shared beach access for those of us on the other side of the tracks!
