I strongly support the purchase of the beach parcel so residents can access the beach from Richmond Beach legally and safely. No public parking is required, and I respect my neighbors' property and privacy...but I strongly believe that folks should be able to walk across the publicly funded bridge to the beach. That's something I did when I was a child growing up in RB, and it's something I want to continue doing (now) as a senior citizen. I am amazed that I'm a senior citizen; and I'm (hopeful) and amazed that the City has the opportunity and could/would support the purchase of this property!

Sincerely,

Anina Coder Sill
