I support the city buying the beach parcel. I have lived in lower Richmond Beach for 37 years. I have walked over a mile to access the beach which involves a lot of uphill and downhill walking. When walking over the bridge to 27th Ave. to access the beach, it is a pleasant short walk. Purchase of the beach parcel will make it legal and a nice walk for many of us who live below 20th Ave NW.

Secondly, if the city owned the proposed beach parcel - the city would then be able to monitor the loud music (and bonfires) that can be heard late into the night by residents living close to the water.

We Richmond Beach residents pay a significant amount of tax money to live here. I would love to see this extension of our public beach land to be made legally available – for us and for those that follow us.

Please vote for this ordinance.
