I am writing with my view of Ordinance No. 967, which will be discussed as agenda item 9(c).

I support the city in acquiring the beach parcel at the southern end of 27th Ave NW. Shoreline preservation and beach access should be priorities for our community.

Actually, I thought the beach all the way to the bulkhead was already owned by the city!

Personally, I don't access that area - but I do think it should be maintained by the city and also provide beach access to local residents or people walking from Saltwater Park.

Thank you for your consideration.
