My name is John T John. My wife Emilie and I have been residents of Shoreline, Richmond Beach neighborhood since 1980. One of the most enjoyable aspects of living in Richmond Beach has been access to the Puget Sound Beach area . Over the years our family members have often accessed the Beach from the North on 27th Ave NW after crossing the bridge and also exiting from the Beach and walking along 27th Ave NW and crossing the bridge. We fully support the City of Shoreline acquiring the beach parcel with its 400 feet of Shoreline. Over the decades we assumed there was no issue in using 27th Ave NW to access and exit the beach. Now learning there is an effort to restrict or eliminate such access a to the Beach on the South end of 27th Ave NW as has been done on the North end of 27th Ave NW, we believe it is a top priority for the City of Shoreline, as it should be, to take this opportunity to eliminate any questions and legal issues and ensure access to the beach by the public on 27th Ave NW.

Thank you

John T. John
