8. I'm writing to support acquisition of property to allow beach access from 27th Ave NW. My family often walks in this area, and it has not been clear to us whether we can access the beach from 27th. It is counterintuitive to drive to the Saltwater Park parking lot when walking to this access is easier.

"Acquiring shoreline and beach access" is a top priority in the City's Parks, Recreation & Open Space Plan (PROS Plan), and this small purchase would significantly improve access and enjoyment of the city's only connection to the waterfront.
