Dear City Council,

In reference to Agenda item 9(c) Discussion of Ordinance No 967:

I am voicing my support for the ordinance to authorize the city to acquire the vacant beach property between Richmond Beach Saltwater Park and the bulkhead. I live very close to the bridge and I have never felt comfortable crossing it to go to the beach even though it would be more convenient and environmentally friendly. I love spending time on the beach, bird watching and beach combing. Acquiring the land would be very meaningful to me: I could more easily access the beach without needing to drive or park a car, and the acquisition would be in line with what many of our residents want.

Sincerely
Sonia Fang
