Subject: [EXTERNAL] Richmond beach access point on 27th street
Date: Monday, May 23, 2022 1:41:22 PM

City Council... please please please!... secure the property at the south end of 27th street. I have been using that access point for many many years. As property owners in the area my husband and I would be willing to pay a parks fee to maintain and protect that entry location for the local residents. I think the immediate neighbors in that area just need to know it is going to be kept low key and their privacy maintained.

Thanks!

Aimee
