To Whom it May Concern... I am writing in favor of the City Council acquiring that vacant property located at the south end of 27th to ensure neighborhood beach access. It is a huge amenity for the neighborhood. If possible, maybe make it an access point for only property owner's in the neighborhood? I paddle board from that location as it is much easier to get my paddle board directly to that water at that location. My family would be willing to pay a "parks fee" as a property owner in the area to help regulate and manage the access point.

Thanks!
