To Richmond Beach City Council... I am in 100% support of the City Council acquiring the vacant beach property to ensure beach access for the neighborhood. When we chose to move to Richmond Beach one of the top reasons was having beach access as a property owner in the neighborhood. When we decided to move (5 yrs) ago into the neighborhood (off 198th) having that local "neighborhood" access point was a huge factor in choosing to live here rather than on the east side. Please please protect the access point. Thank you! I would happily become part of a volunteer committee to help make this access location palatable to all neighbors alike. I believe we can work through this and address any concerns the immediate neighbors might have on that 27th street.
